

## Size Guide

### A) Length

Place the end of a measuring tape beside the collar at the top of the shirt (high point shoulder). Pull the tape to the bottom of the shirt.

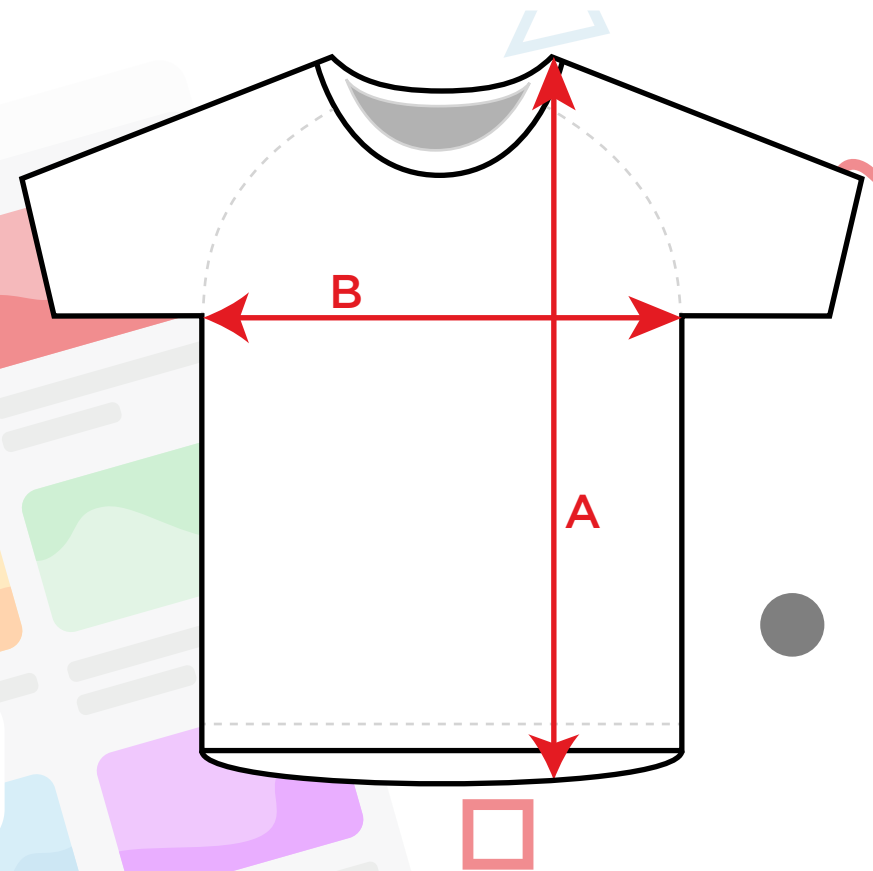

### B) Half Chest

Lay the garment down on a flat surface and measure it from left to right across the chest, below the sleeves.

### C) Dye Sublimation

Fabrics react with heat in different ways causing them to shrink or stretch. Measurements can vary and garments may run smaller or longer with a difference of +/- 2.5cm or 1"
